What does AI have to do with crewing?

AI can give you a Co-Pilot for Crewing.

- Crew Matrix Planning
- Crew Change Module
- SeaGPT

Crew Experience Matrix Planning

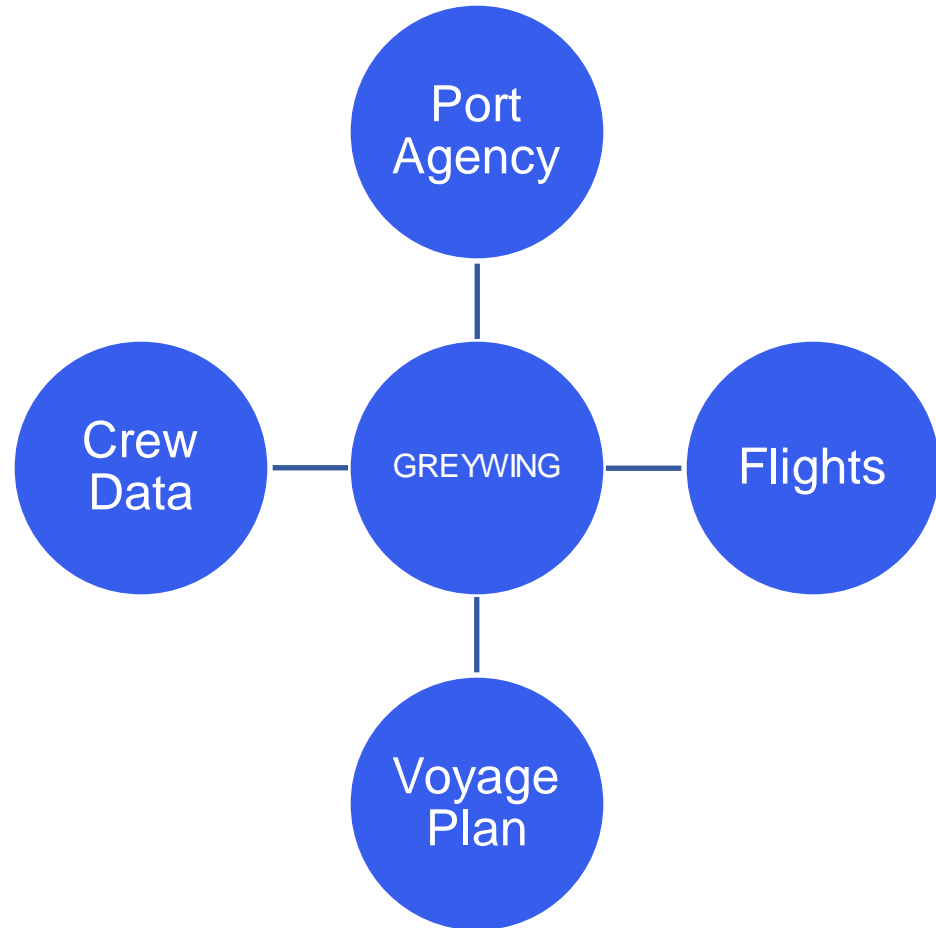

- Compliant with over 31 Charterers
- Dynamic Planning
- 12 Months Plan
- Increasing to 3 years

What is the impact of AI in crewing?

- Less time spent on email
- More time spent on human connection
- A true understanding of costs, at a granular level.
