CYMEPA HISTORY :

"To Save the Seas"

The voluntary commitment declaration was endorsed by:

- International Maritime Organization (IMO)
- Intergovernmental Oceanographic Commission (IOC) of UNESCO
- World Wide Fund for Nature (WWF)
- Club of Rome,
- The World Conservation Union (IUCN)
- International Group of P & I Clubs
- International Chamber of Shipping (ICS)

CYMEPA helps seafarers and executives to be more aware of safety and the protection of the marine environment.

CYMEPA initiates environmental projects and operates extensive public awareness campaigns, giving priority to environmental education of Schoolchildren.

CYMEPA supports and assists the Government of Cyprus in ratifying and implementing international conventions addressing the protection of the marine environment.

Main Aim

CYMEPA aims to encourage and actively assist effective efforts to prevent all forms of pollution of the sea.

CYMEPA's
role is also to
assist in solving
open items,
mainly through
education.
